# MOTHER'S CORNER

God loves you just the way you are. I remember as a teen-ager thinking, I wish I had hair like someone else. I wish I was pretty like someone else. I wish I were tall, and I wish, I wish, I wish. Well; I have learned that God loves his creation just the way we are. It does not matter the color of your skin, whether you are tall, short, fat, or skinny. After all God made us, and everything He made was good. God loved you before you were born too. You were wanted, you were not an accident. You did not evolve from a monkey. You were not accidentally born. God gave your life, and you are a specific part of His plan. He created you and you are valued, precious, and priceless to Him You are unique. There is no one like you. There never was and never will be. And God has a purpose for you that is unique as well. He has big plans for your life. Therefore, there is no need to wish to be like anyone else. God created you to be just as you are for his purpose and for his glory.

It is good to thank God that He created us and gave us life. "You formed my inward parts; You covered me in my mother's womb" (Psalm 139:13). I praise you for I am fearfully and wonderfully made; marvelous are Your works, and that my soul knows very well (Psalm 139:14). Praising God is the main purpose for which we were created. I praise God that He created me and chose me, and He loves me just the way that I am. I encourage each of you to get in the habit of thanking and praising God that he loves you just for who you are.

Love,  
Mother Armizetta Conner

## LAUGHTER IS GOOD MEDICINE

A Sunday School Teacher asked students to draw a picture of their favorite bible story.

The teacher was puzzled by one students picture. 4 people on a aircraft? So, she asked what bible story does it represent?

Student: " The flight to Egypt"

Teacher: Oh! I see. That must be Mary, Joseph and baby Jesus. But, who's the 4th person?

Student: "Oh! That's Pontius the Pilot"
